

# Picnic with the King

## Park features:

- Whale watching advantage areas.
- Free barbeque facilities, picnic tables and shade.
- Playground for young children.
- Scenic gardens and heritage features, including a beautiful rotunda and historic military defences.
- Public toilets suitable for persons with mobility limitations.

## Useful tips:

- Bring some sporting equipment to contribute to the collection supplied by the locals. You will make friends quickly with a soccer ball or cricket set on hand.
- There are a couple of good sandwich shops in Hunter Street Mall where you can stock up before heading to the park. Try Newcastle Bakehouse for sandwiches to order (87 – 89 Hunter Street, Newcastle), or Fruit-A-Peel Green Grocer and Fruiterer for fantastic smoothies, wraps and salads (114 Hunter Street, Newcastle).
- Pack a lunch as it is a hilly walk to the nearest shops.
